FIG. 39A and FIG. 39 are cross-sectional views of a multi-layered structure. FIG. 39A (top) shows a structure with a bottom layer 606, a middle layer 602, and a top layer 608. A wavy line 618 is located between the middle and top layers. FIG. 39 (bottom) shows a similar structure with a bottom layer 600, a middle layer 602, and a top layer 604. A wavy line 618 is also present between the middle and top layers. Both figures include a vertical dashed line indicating a cross-section.
